Genuine Tail lift & Shutter parts - Guaranteed

The Tail Lift & Shutter Door Experts

parts4tailifts.com is the National Parts Sales Division of **Humberside Tail Lifts Limited**. We have operated our own Tail Lift and Shutter Door Service Department for the last 19 years and this has allowed us to build up a wealth of experience. We fully understand the urgency placed on repairers and customers to get vehicles back on the road in the shortest possible time, therefore you can rely on us to deal with your order swiftly and efficiently.

Trust us to deliver - so you can too.

Lowest Prices & Total Pricing Transparency

We sell genuine tail lift and shutter parts at the lowest prices available in the UK. Working from manufacturers Retail Price Lists, which are available on request, we offer **across-the-board discounts** and **huge savings** on commonly used parts. And, as we always use the manufacturers own part numbers on all of our paperwork, our pricing structure is transparent and customers can clearly see the significant savings that they have made.

Technical Knowledge and Support from Hands-On Experience

Our Parts Advisors have over **35 years** collective experience as **Tail Lift Engineers** working within our own Tail Lift Service department. Drawing from this experience allows us to identify the part the customer requires faster; and allows us to offer **the highest levels of service and technical support**.

Please note:

It is a legal requirement that all tail lift platforms are visible in poor light conditions. Some manufacturers fit flashing warning lights to their platforms however most fit this type of High Visibility Marker Flag.

Tail Lift Flags should be replaced if the red reflective strip becomes damaged or detached.
